Full Paper Guidelines

If your abstract is accepted and you have paid the registration fee for the International Conference on Global Warming and Climate Change 2018 (GlobeWarm ‘18), you are encouraged to submit your full papers before 26th October 2018.

We accept the submission of high quality papers describing original and unpublished results of conceptual, constructive, experimental and theoretical work or research in progress in all of the areas mentioned in the focus area. Submission of a manuscript implies that it is not under consideration for publication anywhere else.

Full paper reviewing process

- All manuscripts will be subjected to double blind peer-review and are expected to meet the scientific criteria of significance and academic excellence.
- The submitting author is responsible for ensuring that the article’s publication has been approved by all the other co-authors and takes responsibility for the paper during submission and peer review.
- The publisher will not be held legally responsible should there be any claims for compensation.

Full paper submission process

- The full manuscript must be submitted as a MS Word document in .doc format (not as a PDF or .docx format) and named with author’s abstract number and name.
- All manuscripts should be in English. Please ensure that your manuscript is not having any errors; this is especially important if English is not your first language.
- Download the Full Paper Template and thoroughly take after the designing rules.
- The format will help you to present your manuscript, subsequently you are asked for to take after the configuration thoroughly.
- Full manuscript that do not follow this format will be rejected.
- If paper is requested for revise we will send back to you with comments and you must send the corrected paper within a week.

Journal Publication Guidelines

If you wish to submit your manuscript in supporting journals of the upcoming conference please follow the supporting journal’s submission process and the template guidelines. For more info please visit International Conference on Global Warming and Climate Change 2018 (GlobeWarm ‘18) website.

**Note: The conference secretariat should receive the exact amount of registration fees. If not, the participant has to pay the balance due at the registration desk. Therefore, the participant has to add US$ 5-10 for the international transaction cost. Any addition received will be reimbursed at the Registration Desk.**

Onsite payments

- If you have funding issues and other unavoidable circumstances you can pay onsite and register to the conference.

However please be noted you need to pay the highest registration fee when you paying on site. Furthermore, you need to confirm your participation with your scanned copy of the Air ticket and passport together with accommodation confirmation receipt to reserve a slot at the Conference.
No show policy for Onsite payments

If any participant confirmed his/her participation to the organizing committee by sending the proof (copy of the air ticket) and is not available to present at the conference will not be accepted. In that scenario the organizers will take the following actions towards protecting the goodwill of the company and to adhere to the immigration policies.

1. Inform to The Embassy/ High Commission
2. Inform to their University/Institute
3. Add to No-benefits list

To avoid these please inform your No-show before the conference close. Also, you may need to pay half of the registration fee within 15 days post conference.
